

Lincoln Memorial University-DeBusk College of Osteopathic Medicine (LMU-DCOM)

Lon and Elizabeth Parr Reed Health Sciences Library

Introduction

The Lincoln Memorial University-DeBusk College of Osteopathic Medicine (LMU-DCOM) Lon and Elizabeth Parr Reed Health Sciences Library (Reed Health Sciences Library) provides LMU students, faculty, and staff with timely access to allied health, nursing, and medical literature. Our outreach services are extended to LMU faculty, students, and preceptors located at LMU's extended sites and at LMU's clinical sites.

The Reed Health Library at LMU-DCOM provides information services to LMU-DCOM faculty, staff, and students. Specific services include facilitating document delivery, reference assistance, literature searches, and database training. The Reed Health Sciences Library will also assist health facilities with collection management. Remote access to databases is available to eligible health professionals.

Electronic Resource Access Instructions

- You will need a computer with Internet access.
- Go to the medical library's home page (<http://library.lmunet.edu/medlib>).
- Choose the database you wish to search from the Databases tab.
- Log in with your LMU EZ Proxy email account username and password.

Reference Services

Librarians are available 40 hours each week. The Medical Librarian and Liaison for the DO program holds office in the Reed Health Sciences Library within the Carnegie Vincent Library. The Distance Education / Extended Sites Librarian and Liaison for Nursing rotates among sites, but is stationed at the Cedar Bluff campus in Knoxville. The Health Sciences Librarian and Liaison for Nursing and PA programs holds office in the Carnegie-Vincent Library within the Reed Health Sciences Library.

The librarian can assist you in:

- Formulating research strategies
- Providing direction for finding the most appropriate resources
- Providing assistance using electronic resources
- Planning a literature review
- Assisting in database searching
- Answering reference questions
- Searching databases to find citations to books and journal articles
- Providing complete citations to books and journal articles

Literature Search Requests

Literature searches may be requested by phone, fax, or email.

Each request should contain the following information:

1. Name of requestor
2. Requestor's institutional affiliation
3. Requestor's status (i.e. intern, 1st year resident, 2nd year resident, preceptor)
4. Contact information for requestor, including a follow-up number and email address in case a question or problem arises. Be sure to include the mailing address that information should be sent to.
5. Information requested (be specific, give alternate spelling, names, etc., if applicable)
6. Limiting features such as number of years to be searched, languages, human, age groups, type of article (i.e. review, research, clinical trials, etc.)

Interlibrary Loan Services

Request interlibrary loan materials by signing up for an interlibrary loan account and filing a new request at: <https://Imunet.illiad.oclc.org/illiad/TNF/logon.html>

Interlibrary Loan staff provide electronic copies of articles from journals owned by the Reed Health Sciences Library or the Carnegie-Vincent Library if specific citations are given. Articles will be emailed or faxed to the requestor unless copy quality is poor. Articles that cannot be emailed or faxed will be mailed to the requestor.

Interlibrary Loan (ILL) borrowing delivers requested materials not owned by the Reed Health Sciences Library and the Carnegie-Vincent Library, such as books and journal articles. These materials are “loaned” to us from other libraries for your use. It is important that borrowed materials be returned in a timely manner so as not to jeopardize any cooperative agreements between the borrower and lender.

Delivery Estimates

Books and other returnable items

- A minimum of *two to three weeks* should be allowed to fill these requests.
- ILL requests are submitted electronically. Print and audiovisual materials, however, are generally sent from the lending library by Library Rate/U.S. Mail.

Journals

- Journal articles ordered through ILL may arrive anytime *between 24 hours to three weeks* after the request was placed depending on mode of delivery and provider.
- Incorrect citations and/or information will result in a delayed request.

LoanSome Doc Services

See <http://library.lmunet.edu/medlib/loansome-doc> for how to register to use LoansomeDoc with the Reed Health Sciences Library.

LoansomeDoc enables PubMed users to order documents. It is available to users in the U.S. and internationally. LoansomeDoc makes ordering articles easier. Users simply conduct a literature search in PubMed and select the article(s) they wish to order by clicking on the box(es) to the left of the citation(s) and then begin the ordering process by choosing “Send To” and then “Collections.” A requestor then enters his/her LoansomeDoc user ID and password; if the requestor does not have a LoansomeDoc user ID and password, he or she may freely register and set up a login with LoansomeDoc. Once the request is processed and completed, the journal articles will be sent to the Reed Health Sciences Library and then forwarded to the requestor.

Circulation Services

Circulation Services staff provides:

- Circulation of books owned by the Reed Health Sciences Library and the Carnegie-Vincent Library
- Renewals of circulating materials
- Holds
- Overdue notices
- Fines & fees for overdue and/or lost library materials

Renewals

Renewals may be requested for circulating library materials that are not overdue and have no holds placed. The borrower may request a renewal via phone, fax, or email.

Holds

If a requested book is already in circulation, a hold may be placed on that item. When a hold is triggered (i.e. the item is returned), the requestor will be notified of the item's availability. If the requestor is not in the Harrogate area, the item will be mailed to the requestor. Return postage is the borrower's responsibility.

Fines/Fees

The fine for overdue materials is \$.15 per item per day.

Fees for a lost item: Replacement cost, plus accrued overdue fines, plus \$20.00 processing fee (per item).

All fines & fees must be satisfied prior to completion of enrolled programs.
